

HB1001-100W

Item name: LED High Bay Light
 Reflector: Aluminium die-cast
 Lamp source: High Efficient LED
 Voltage: 90VAC-260VAC , 50HZ/60HZ
 Color temperature: 5000K-6000K
 Electronic Safety Standard: CLASS1
 Executive standard: IEC598
 Wattage: 100W, 1104 pcs LED
 Beam Angle: LED 170 degree
 IP Rating: 65

• Detailed Product Description: LED High Bay Light 100W

HB1001-100W

Item name: LED High Bay Light

Reflector: Aluminium die-cast

Lamp source: High Efficient LED

Voltage: 90VAC-260VAC , 50HZ/60HZ

Color temperature: 5000K-6000K

Electronic Safety Standard: CLASS1

Executive standard: IEC598

Wattage: 100W, 1104 pcs LED

Beam Angle: LED 170 degree

IP Rating: 65

Applications:

Company, Factory, Food Market, Toll station, Hypermarket, supermarket, movie house, Large gymnasium, exhibition hall, workshop, warehouse and other field.

Features:

- Elegant look
- Low energy consumption and low heat output
- Uses up to 60% less energy than a traditional low energy bulb
- Wide voltage: AC90~260V, 50Hz/60Hz
- Isolating the light source and electric equipments to solve heating problem
